REPORTS

A. DISTRICT SUPERINTENDENT'S COMPOSITE REPORT
1950-1951

In compliance with the action of the Committee of Daily Procedure and Floor Courtesy, the District Superintendent's present herewith their combined report.

We register grateful appreciation to our Chief, Bishop Gerald Kennedy, for his prophetic preaching, democratic leadership and friendly spirit.

Six years ago, two "novitiates" accepted the task of Superintendency. During these years, they have, with their other two colleagues, received many courtesies, and much cooperation from the pastors and laymen. Work has progressed well. Some have had a good year, and others have experienced dissappointments. Your superintendents have presented every claim of the church. Some were received with popular acclaim; others with mute silence. But in the main, the churches have responded with warmhearted and intelligent cooperation.

1. *Membership*: Reports indicate that we have received into membership from Confession of faith and by transfer, 4222. Unfortunately, this is a decrease of 629 over last year. However, in many instances and for the first time in years, church records have become honest and up to date.

2. *Church School*: We report a church school enrollment of 37,595. We have no explanation for the fact that this is a decrease of 1056 over last year, unless it might mean that in many churches this year, they did not recount the youth groups and vacation attendance which was a practice previously practiced in many churches.

3. *Wesley Foundation*: Needs at Eugene have been presented in our Quarterly Conferences. We commend First Church, Eugene, for assuming an obligation of \$50,000 towards this worthy project. Toward our Conference quota of \$50,000 our churches have paid the amount of \$12,984. The remainder is expected to be met in full during the next fiscal year, as agreed upon.

4. *World Service and Conference Benevolences*: shows a sensitive conscience to the world wide program of the Church. Yet we must report regretfully that many of our churches, while their budgets are constantly increasing, some congregations feel that they have reached the saturation point in giving to missions. Perhaps a great amount of education is needed in the local church as to the expenditures for our Conference Benevolences.

We have received during the year the amount of \$99,838.00 which is an increase of \$2677.00 over last year. But looking back six years, we discover that the Oregon Conference has increased their World Service and Conference Benevolences in the amount of \$29,821. In addition the churches observed the Week of Dedication, and gave \$5,044.00 an increase of \$439.00, and \$33,921.00 for the Advance which is an increase of \$13,459 over last year.

5. *Evangelism*: by which we become His witnesses, is still our supreme business. We commend our Board of Evangelism, our Conference and District Secretaries for their untiring efforts. We hope there will be no relenting in this needed task. We commend our Bishop for his annual "Retreat", and for the District schools conducted during the year. We also call attention to our Area Evangelistic Advance during March 1952, and trust that what was so singularly successful in Philadelphia and Syracuse might be repeated in Oregon. We urge our ministers to organize, and make definite plans in their local churches.

salaries, where savings became near impossible. They deserve fair consideration when they enter the "Retired Relation". We are happy to report that our Reserve Pension Quotas are increasingly being paid in full. One district has overpaid, by \$2,000 and other districts report completion for their payments in full within the coming year. Our quota was \$217,760. Towards this, we have paid \$202,985. Due now, \$14,775. We are sure our churches will feel this as their moral obligation to discharge this ensuing fiscal year.

CONCLUSION: What more can we say? This composite report would not permit the recording of the faithful pastors whose planned programs, Christ-centered preaching and community spirit, have paid big dividends. Some preachers have been fortunate in serving large parishes, well staffed with able assistants and they have had great ingatherings. Others have labored in the hard and unproductive fields, and have gathered their sheaves with tears and toil. But to every one of Christ's faithful and consecrated workmen, ministers and laymen, we offer our gratitude. Ever mindful of the task left undone, and the countless members yet to be won, we plead, we pray and we yearn that the church of God may be strong to complete its unfinished task in the world.

As Ministers of God, we reaffirm our faith in the Fatherhood of God, the Brotherhood of Man and in the Saviourhood of Jesus Christ. This is our most cherished heritage, received from the fathers of yesterday. For this faith they lived, suffered, and died.

We emphatically declare our unalterable opposition to any system of Communistic and Atheistic Philosophy of life that threatens to undermine our spiritual foundations. We offer no compromise, whatever, with individuals, communities, or nations who promote, by precept and example, any form of philosophy of life that denies Jesus Christ as the Saviour of Man and the World's Redeemer. If there is to be a government of peace, good will, and universal brotherhood, that government must be upon His shoulders, whose name is Wonderful, Counselor Everlasting Father, the Mighty GOD, and the Prince of Peace. We believe in the Kingdom of God, established in the hearts of men by the transforming work of the grace of God through the Holy Spirit. We believe the Church to be a Divine Institution established by our Lord at great cost. As Methodists, we declare that there is one name and one alone, "Given among men whereby we must be saved". And we affirm that any other name, whether it be an individual or system, is in direct opposition to all we as Christians hold dear.

But we are equally emphatic in declaring that since we are surrounded by a Social Order more pagan than Christian, and bloated with pride in its scientific resourcefulness as a way of life, the church must not attempt to label its prophets when they daringly declare the need also for a social and economic repentance and regeneration in our society. Our task is to "preach and practice the will of God on Earth". Toynbee, in his "Study of History", reports, after considering the various saviour-gods who took their stand on the frontier before the great river of death, "Each finally takes his plunge, leaving mankind hopeless. As we stand and gaze with our eyes fixed upon the farther shore, a single figure rises from the flood and straight-way fills the whole horizon. There is the Saviour and the pleasure of the Lord shall prosper in His hand. He shall see the travail of His soul and shall be satisfied." Our task is to work with men everywhere, regardless of race or creed or nation, and to build a world community. In words of Dr. Harold Bosley, we believe, "That if there is to be a future of civilization it belongs to him who can live and work by faith; who believes that in all things we are more than conquerors through Him that loved us."

CHURCH EXTENSIONS: in the Oregon Conference is our reply to the urgency of "Rise Up and Build." We are glad to report that "fire from heaven" came down and made possible new sanctuaries, more worshipful and adequate than the old ones. We look with pride to the accomplishments in the new fields, where churches and parsonages now stand, either partly or fully completed.

Among the **CHURCHES**, we report the completion of the Sweet Home Church and Educational Building, costing \$82,000. This was one of our Advance Specials at home. The people paid \$22,000, our Home Board paid \$11,000. Last week they concluded another successful campaign of \$42,000 in an effort to wipe out the entire indebtedness. Another Advance Special was Trinity in Eugene, where the first Unit was completed at a cost of \$40,000. The Board donated \$12,000 and the people \$14,000. The Jason Lee Educational Building is also completed at a cost of \$65,000. The Rose City Park Temple, consecrated on Mother's Day, is another accomplishment of \$146,000. Montavilla Educational Bldg. costing \$45,000 and a drive for \$26,000 is underway for a new sanctuary. Coburg Church, destroyed by fire. Siletz, also destroyed by fire, is rebuilt, and debt free at \$15,000. Drain Church and Educational Bldg. is completed at a cost of \$65,000. North Bend Church and Educational Unit is partly finished at a cost of \$150,000. Hillsboro stately Temple and Educational Unit is near completion at a cost of \$90,000.

NEW PARSONAGES erected or recently purchased include. Albany, Corvallis, Lebanon, Lyons, McMinnville, Stayton, and Sweet Home. At Eugene, a new parsonage has been purchased for the Wesley Foundation Director at Canyonville, Yoncalla. Other parsonages under construction at the present time are: Grants Pass, First Church Eugene, and Camas Valley.

YOUTH AND THE CHURCH OF TOMORROW: The greatest dividends in our Youth Activities come to us from our Camp Sites. In the summer of 1949, 1897 youth visited our camps for some form of meeting. Last summer, fall and winter, 4718 attended, an increase of 2821 over the previous year.

Tomorrow's leaders are in the ranks of our Summer Camp attendants. We commend our Board of Education for their planned youth activities and for their training of future leaders. We rejoice that our Deans are increasing their emphasis upon securing commitments to Christ and His Way. Our Church deserves the best leadership possible. We urge young men of talent and deep religious convictions to heed the call of God for full time Christian Service. The conference cabinet is indebted to Dr. Arthur Maynard of Willamette U and Earl Riddle and David Seaman of the Wesley Foundation Centers, for services rendered many churches and youth groups by their numerous deputation teams. And we commend Bishop Kennedy for introducing into our Conference our Junior Lay Members.

THE LABORER AND HIS HIRE: We are encouraged by our laymen's response for more adequate ministerial salaries. We commend our churches for this vision and sincerely hope that they will continue their efforts to the end that every minister may receive a living wage. Salary increases for next year will amount to \$24,678 and car expenses will be \$11,240.

On the Minimum Salary issue, the Cabinet feels strongly that some means must be discovered by which the Minimum Salary levels for our supply pastors be raised to \$2400. No family can maintain maximum efficiency and Christian morale on less; nor can they maintain self respect when it becomes near impossible to meet their obligations. To our most generous Conference W. S. C. S., we recommend that they make a study of this, seriously considering some form of aid within the Conference for this worthy cause. Only by lifting the standards can we challenge better leadership and produce permanent results.

We are also deeply concerned about our **RETIRED BROTHEREN**, their wives, and their widows. Many of them served long years in hard fields for meager

salaries, where savings became near impossible. They deserve fair consideration when they enter the "Retired Relation". We are happy to report that our Reserve Pension Quotas are increasingly being paid in full. 2. METHODIST YOUTH FELLOWSHIP

Fellowship teams composed of members of the conference council have visited The Dalles, Myrtle Point, Suttle Lake and many points in between. It's quite a feat to get four youth, Ollie (Olivia Olson, Conference Director of Youth Work) and all their materials into Job (what some have referred to as Ollie's excuse for a car!) Job held us O.K. and these get together have strengthened the bonds of fellowship among us.

Something new for the MYF has been started—Cell Groups. In an effort to help us have spiritual experiences together and become better friends to one another, the council has sponsored and attempted to establish these informal gatherings.

"POWER," the youth devotional booklet, has been punched plenty this year. It couldn't happen to a more deserving publication either. We the youth write "POWER" and say just what we want to. We need to use "POWER" to help us to gain the power we need.

"Footnotes," the Conference MYF newspaper has functioned in good order. We will continue to try to have it an expression of what we ourselves are thinking and doing.

Methodist Youth Fellowship

"Don't be afraid to stand up and be counted." With these words Bishop Kennedy challenged Methodist Youth, and with that purpose has our Oregon Methodist Youth Fellowship gone out this year to win other youth for Christ and His Church. Youth and their adult counselors in our churches are not afraid to be counted.

In the five Christian Adventure Camps of last summer 346 intermediate youth were guided in experiences of Christian growth by 64 adult leaders, and carried back these experiences and the learning to their 94 local churches.

One-hundred five of the 166 local churches of the Oregon Conference were reached through the 354 youth and the 82 adult counselors who were in one of the five high school Institutes provided for youth of this age.

During the winter and spring months fellowship teams have worked seven different weekends—three in sub-district affairs and four in local churches.

The Conference Director of Youth Work has had the privilege and pleasure of working in 20 local churches, 8 sub-district youth rallies, the 4 district conferences, the vocational conference, 9 sub-district leadership training workshops, 6 youth camps, and 13 vacation church school training institutes. It was also a privilege to be invited to the Willamette University campus to meet with deputation team members, and again for a fireside discussion at a sorority house during religious emphasis week.

B REPORTS OF BOARDS AND INSTITUTIONS

Note.—For the sake of economy in publishing costs, the following reports are abbreviated summaries of those submitted to the Annual Conference. This is particularly true where mimeographed reports were distributed at Conference.

1. CONFERENCE BOARD OF EDUCATION

Executive Secretary's Report
Year Ending May 31, 1951

VACATION CHURCH SCHOOL INSTITUTES have been given special attention this Spring in the celebration of the one hundredth anniversary. Our office has set up and provided leadership for 17 such institutes, as well as helping a few specific individual churches. 5231 children were reported this year in vacation schools.

LEADERSHIP TRAINING is always a MUST with us. One effective service is through our regular leadership training schools. This year 339 have been enrolled in our Conference with 1233 thus far in the quadrennium. Three Observation Schools have been conducted that were on a non-credit basis. The Annual Laboratory School continues to be our most thorough piece of work. We added the Rural Laboratory School this past summer. June 24-29 are the dates for 1951: the departmental school at Forest Grove, the rural school at Cornelius. A very select staff of teachers has been chosen. The Audio-Visual Kit on leadership education has been most useful—many churches dating it for workers' conferences, board of education meetings and other group meetings. We highly advise its use. REMEMBER IT CAN BE DATED THROUGH OUR OFFICE.

MISSIONARY EDUCATION is so closely tied up with all we do. You will want to know that Missionary Personnel has approved 11 of our young people for either home or foreign service this year. The US2 and A3 are given special thought right now. These are your young people: Mr. and Mrs. Kaz Kawata sailing for India next month, Allen Robinson and Marilyn Harrie to be married August 19th and studying this year in preparation for Africa, Dr. and Mrs. James M. Pomeroy of Salem going to India, John Kaemmer going as a teacher of music to Africa, Marjorie Cooper going to Honolulu for three years as assistant dietician in one of our schools, Donna Jean Stumpenhous and Helen Stansfield studying for six weeks at Scarritt and doing US2 work. This is a day of Global interests.

SPECIAL DAYS are many but you are observing them. Think of persons when you give your dollars. For instance the recent Student Day Offering makes possible money for loans and scholarships. This year there have been four National Methodist Scholarships given to Willamette students: Robert V. Bain, Portland; Theodore Loder, Portland; Florence Goodridge, Camas, Wash.; and Donald Earl Clark, Ryderwood, Wash. You will also be interested in knowing that loans were made to 13 Oregon Youth in Methodist Schools amounting to \$2200 and one loan in a non-Methodist school for \$200, a total of \$2400. Our Oregon contribution was \$991.94.

CAMPS AND INSTITUTES have been covered by other reports. -Special attention must be placed on "Adults of the Golden Age." One of the most rewarding and happy experiences of the past summer. Another camp is dated for August 20-23. Family camps, young adults, juniors and youth are finding camp a part of the total church program and essential.

The youngest Wesley Foundation of the Oregon Conference presents the following report. Since the war the enrollment of Southern Oregon College has substantially increased and it became increasingly evident that there was a great need for some sort of Christian leadership on the campus.

Under the sponsorship of the local Methodist Church a quite informal organization, which we called a Wesley Foundation, was formed two years ago and has carried on regular devotional, discussional and social gatherings since that time.

In April of this year the Reverend Raynor Smith, Miss Pearl Sherlock, Rev. Earl Riddle and Rev. Dave Seaman made a special trip to our city to meet with a representation of laymen of our church, members of the college faculty and student members of the existing Wesley Foundation. Through their instructions and recommendations the Southern Oregon College Wesley Foundation has been officially organized with the formation of a Campus-Church Relations Committee. Miss Jeannette Smith, of the faculty, was elected chairman. Other officers include Charles Eliason, student, Vice-Chairman; Dr. W. W. Wells, faculty, Treasurer; Mr. and Mrs. John Billings, Sponsors.

During the past year our group has faithfully carried on Sunday evening meetings and has had a number of social evenings. We have had as many as 35 students in attendance at social gatherings. Four of our group attended the Wesley Foundation Retreat at Camp Magruder in April and came back with new enthusiasm for a larger and richer Wesley Foundation for next year.

Members of the Wesley Foundation took active part in the church and Sunday School by singing in the choir, several taught Sunday School classes and others helped regularly in the supervision of the activities for the Youth Fellowship groups and all were quite active in campus activities.

the church. It became the endeavor of Wesley Foundation to encourage widely the necessity of attending one of the morning worship services each Sunday. Average student attendance of 300 to 500 has indicated a sincere interest in the church as well as a commentary on the high inspirational preaching which is available in this college pastorate.

III. FELLOWSHIP

A second emphasis came upon the field of Christian fellowship in its broadest sense. One of the facilities for deepening that fellowship among the students was through the Sunday evening Forum of Wesley Foundation. The Forum programs of Wesley included an informal Dime-A-Mite supper for those desiring, then informal and organized singing, worship, and a subject for discussion by the group or by an outside speaker. The evening was ended in every case with a brief but worshipful moment. An endeavor to "get acquainted" and encourage more students to participate in this informal program was made. To implement such a program, a visitation plan was devised by the Wesley Assistant. Many students across the campus received personal calls by groups of "twos." These calls were effective in impressing the concern of students for "a student."

IV. CHRISTIAN COMMITMENT

The results of the past year are difficult to evaluate. One of the most encouraging phases of student work is the increasing number who decide to give full-time to Christian Service or part-time during the summer. This summer, 1951, one boy will be in Finland, one in Cuba, a boy and a girl in Mexico, a couple will be preparing for service in Africa, and a couple will be leaving for India, and an Indian boy, who became a Christian in our fellowship, is now on his way back to India. Four students will be serving in a cannery with migrant workers and studying the problems of labor and industry in Eastern Oregon, while two young women seniors leave to serve with the Home Missions Board for two years. Two other students have dedicated three years to the Foreign Mission Board for service abroad. A young couple continues training in Christian work to find a permanent place in church-related service. One young man enters a theological seminary in the fall. The future of the church lies with these and others who will, from the ranks of students, rise to dedicate themselves to Christian service.

It is, indeed, a privilege for the Oregon Conference to have a part in the molding of Christian character among its students. May God grant us vision to realize our possibilities of Christian work among the student generations passing in our midst.

WESLEY FOUNDATION AT THE UNIVERSITY OF OREGON

Wesley Foundation served its Methodist preference students this year in the former YMCA building at 1236 Kincaid, now owned by the Wesley Foundation Corporation. This building will be the temporary quarters for Methodist student work until the new structure is erected.

Some 200 of the 500 preference students were active in the student program, participating in Sunday School, church services, Sunday evening forums, Tuesday evening potluck dinners, Wednesday Chapel services, seminars, parties and service activities.

Special emphasis was placed this year on Christian vocations with 26 students expressing a concern in this direction. Interviews were held during the year with Miss Margaret Briggs and Dr. Claude Singleton of the Board of Missions; Dr. E.

CHURCHMANSHIP: Thanks to the helpfulness of faculty and friends, transportation has been made available to students who wish to attend Church at Independence. The College has been represented nearly every Sunday and some of the students have participated in the Sunday-school, choir, and activities of the Church. Plans are being made by the WSCS to give a dinner for students next fall.

Last year a Campus-Church Relations Committee was organized and it has been carrying on this year, under the chairmanship of Mr. Anton Postl.

I. CHURCHMANSHIP

The first emphasis of Wesley Foundation is to nurture and deepen the experiences of the student which will keep alive the churchmanship ideals he had in his

that claim upon us in the year ahead. Let no one come to these days with calendar conflicts.

We continue to urge every pastor to hold thorough classes for training youth and adults in membership responsibility, and that the reception of members into the church be made as meaningful as possible.

We recommend that the conference goal for reception of members—by every method—be one for every four active members.

5. HISTORICAL SOCIETY

The Conference Historical Society has a double function: not only to preserve the records of the past and to stimulate an interest in such matters in the local church, but also to so present the doings of those who have gone before us as to become a challenge and an inspiration to our own and future generations. To this end we are proposing that during the coming year we will send to each church that asks for it a complete list of the Pastors and Presiding Elders or District Superintendents who have served them through the years since their founding. We have already sent out letters announcing this intention to nearly every Pastor in the conference. The response has been gratifying, for the requests for such lists are coming in, and the probabilities are that we will have our hands full for some time compiling them.

No charge is made for this service, but we hope that each church will have at least one representative in the Oregon Conference Historical Society—either the Pastor or some layman, and that the local Committee on Records and History be definitely related to this society, and send at least one membership fee to support it.

Accomplishments of the Society during the year.

1. The Society has been organized on the basis of a dues-paying membership. Only 17 members are listed for the year 1950-1951, but 16 more have joined the Society for 1951-52. The rolls are still open for others to join. The membership is within the reach of every minister or layman who has an interest in such matters.

2. We have encouraged the writing of local church histories, and furnished data for some. Others have come to light as a result of correspondence, and the offer of such assistance.

3. The new church at Oregon City has received the plaque proposed in our report of last year, commemorating the fact that at that place was built the first Protestant Church west of the Rocky Mountains—in 1843.

4. We have had two meetings of the Society during the year to plan more effectively for our work in the future.

5. We are making application for membership in the "Association of Methodist Historical Societies"—denomination-wide organization. (See Discipline of 1948, Paragraphs 661, 662.)

Plans for the future:

A year from now we plan a significant commemoration of the organization of the Oregon Annual Conference. The last session of the Oregon-California Mission Conference was held in the Methodist Church in Portland on September 2-7, 1852. Even at that Conference the question arose as to whether they were meeting as the Oregon-California Mission Conference or as the recently authorized Annual Conference, but the Oregon Annual Conference was duly organized at its session of 1853. At our next session of 1952 therefore, we plan to commemorate the event by

Stanley Martin of the Board of Education; Dr. Glenn Olds of the Garrett faculty; and Miss Grace Brady of the Student Volunteer Movement.

Three students joined the Methodist Church on profession of faith, and some 40 are affiliate members of the First Methodist Church of Eugene.

Three students have applied for summer work projects. At this writing, two have been accepted, one for the Mexico Work Camp and one for the Rio Grande Valley Work Camp.

Dave Hobbs, last year's President of Wesley Foundation has been elected President of the campus YMCA and also is President of the Oregon Methodist Student Movement.

Miss Nicci Haralu, student from Assam, India, was sponsored at the University of Oregon by Wesley Foundation students in cooperation with the Westminster Foundation.

Three hundred persons, 250 of them students, attended Wesley's Annual World Friendship Banquet in February to hear Bishop Gerald Kennedy as guest speaker. Fifty foreign students were guests.

This year's study emphasis was on "Basic Christian Concepts," being concerned with the ideas of God, Jesus, Man, Faith, Love, Prayer, and World Christian Community.

One student was sent to the Christian Citizenship Seminar in Washington, D. C., in February.

The director and students have appeared in more than 40 churches this year on behalf of the Wesley Foundation Building Crusade. To this date nearly \$67,000.00 has been pledged and paid on the \$100,000 goal.

At Wesley's annual spring retreat at Suttle Lake in May, 35 students met to analyze the program and emphases of Wesley for the campus. Three areas to be promoted for next year are: a vital personal religion, an evangelistic approach to the campus, and an increased awareness of world needs. Morale and spirit are high, and the quality of leadership for next year is excellent.

4. THE BOARD OF EVANGELISM

1. The past year:

We again commend our District superintendents for their spirited leading in the evangelistic emphasis.

Our conference had 13 representatives at the Jurisdictional conference on evangelism at San Francisco last September, which was sponsored jointly by the General and Western Jurisdictional Boards of evangelism.

The Spiritual life retreat for ministers at Magruder March 26-28, led by Bishop Kennedy and Dr. John Magee, was attended by 100. There was enthusiastic request for a similar retreat in the future.

The past year has been one of increased cooperation between the ministers of our conference in the program of visitation evangelism. We commend those churches which shared their pastors with others. These are the figures:

1951 conference goal; 1 for each 10 active members. Received on Profession of Faith and from other denominations, 1 for 13 active members.

2. The new Year:

It is the whole hearted recommendation of your Board that the Area Evangelistic Mission scheduled for our Conference March 8-16, and 21-30, 1952, be a

SOUTHERN DISTRICT

John Billings, District Lay Leader

We are pleased to report that this year in most churches there has been considerable activity among the lay members of the congregations. At least one Layman's Day Sunday has been held in each church with in most cases local laymen conducting the entire services. Some local groups have taken it upon themselves to assist other churches in the formation of New Men's Groups. Under the leadership of associate Lay Leader Lloyd DeLess considerable interest has been shown in the promotion of "The Methodist Layman" throughout the conference. One Men's Group has provided a scholarship for a foreign student.

SALEM DISTRICT

Leland Sackett, District Lay Leader

The Salem district has been fortunate in having its Men's Work so arranged that the influence of its summer camp program can reach all parts of the district once in a biennial period: While last year the camp was held at Suttle Lake, the current conference year we held the meeting at CAMP MAGRUDER, Sept. 8-10. The Theme "FISHERS OF MEN" was noteworthy in that the emphasis on evangelism was largely presented by laymen. The bond prevailing between Salem District Cabinet and our District Superintendent has ever been one of close coordination. The emergency fund has been of great help to the District Superintendent in the meeting of real emergencies. Our men recognize that the cause of the church in its program for THE ADVANCEMENT OF CHRIST'S KINGDOM is a never ending Challenge for the best in all of us, and we pledge anew of our loyalty and devotion to the NEW LEADER OF THE DISTRICT in the continuance of this work.

LLOYD E. GILSON
Conference Lay Leader

7. BOARD OF MISSIONS AND CHURCH EXTENSION

This Conference year just closing, the Home Division of our General Board of Missions and Church Extension appropriated more funds for use in this conference than we raised through our Conference Benevolences.

The Conference Treasurer informed us that World Service and Annual Conference Benevolence receipts totaled \$99,838. Of this total \$54,911 was forwarded to World Service headquarters for distribution among all Boards and Agencies of the general church. We retained \$44,929 for work in the Conference.

We received back from the New York office \$15,258 for pastoral maintenance (\$9300 from regular funds, \$4035 from Crusade for Christ and \$1925 for Indian work). From the Church Extension office at Philadelphia we received \$23,500 in building grants to eight churches and \$7500 in a building loan. This loan \$46,358, which is \$1429 more than the total giving of all churches of the Conference to Conference Benevolences.

Recognition by the Christian statesmen in both the New York and Philadelphia offices of the great opportunities for Christian service which exist in this annual Conference is responsible for this generous response to our appeals for aid. The Board feels the Conference should be aware of this situation.

The Interboard Council of this Conference has asked the Conference Board of Missions and Church Extension to aggressively promote all interboard causes throughout the Conference. This will be done under the leadership of the Conference Missionary Secretary. The program is to be correlated with the Layman's Stew-

a Centennial celebration in a way becoming the importance of the event. We ask therefore, that by proper action of this Conference authorization shall be given this Historical Society to expend a reasonable sum for such commemoration.

2. We wish to solicit memorial gifts for our Historical collection and library—any books, manuscripts, or other objects of historical value relative to Methodist history. Copies of the Conference Journal of the Oregon, Puget Sound, Columbia River, and Pacific Northwest Conferences, especially.

Respectfully submitted,

Thomas D. Yarnes
Chairman

6. BOARD OF LAY ACTIVITIES

With increased satisfaction we bring this report of LAY ACTIVITIES. This year has presented many opportunities. The conference lay leader has participated in the training program of the districts, visited local MEN'S GROUPS throughout the conference. LAYMEN'S DAY SERVICES were conducted in MOLALLA on the FOREST GROVE DISTRICT and in CRESWELL on the SOUTHERN DISTRICT. Notable increase in interest among the churches on LAYMEN'S DAY was general throughout the conference. Splendid reports were received and in greater number than last year. The CHARTERING OF METHODIST MEN'S GROUPS was given special attention. We need many more chartered groups to meet our quota. In all the conference key leader has participated in thirty special services, attended 141 services travelling 5152 miles during the year. The splendid cooperation of the Bishop, District Superintendents, Pastors, District and Associate Lay Leaders, and men have resulted in a year well done. We rejoice in the advance made.

FOREST GROVE DISTRICT

Russell Nelson, District Lay Leader

The Forest Grove district annual laymen's retreat was held at Camp Magruder August 4-5-6. Sixty-eight people representing nineteen churches attended. The Institute Theme was "EDUCATION FOR ACTION." Six sub-district meetings on "Workshop on churchmanship" were held during the year. Approximately two hundred fifty attended these six meetings. Laymen's Day was observed in most churches over the district. The cooperation of associate lay leaders, district superintendents, pastors and people has been an inspiration in my year of service as district lay leader.

PORTLAND DISTRICT

Howard Somers, District Lay Leader

A new program of official board committee indoctrination was begun during the year. After a consensus taken at a meeting of charge lay leaders the work of stewardship and finance committees was stressed in two district seminars. The third annual "BISHOP'S DINNER" was held in March by the Rose City Park Methodist men as a mass rally for the men of the Portland District. This year has seen the formation of a combined Methodist Men's organization in the Southeast section of Portland. The district Lay Leader and Associates have each filled a number of speaking engagements during the year. All were in action on Laymen's Sunday. The Portland district lay leader is an EX OFFICIO member of the city church extension society and has served as its vice-chairman during the year.

ardship Conference next fall and the United Evangelistic Advance in the Spring. We hope to give additional help to churches in putting on an Every Member Canvass.

Along with this there will be a program of missionary education, realizing that missionary education here in our churches is as important as missionary service overseas. The grass roots for all effective missionary education is within the local church.

To provide trained leadership throughout the Conference in this wide field of missionary education and promotion, the board is sending the four district missionary secretaries to the Summer Conference on Missions and Related Interests, August 3-8, at Asilomar, Calif., and the Conference Missionary Secretary to the Town & Country Conference in Sioux City, Iowa, July 21-24.

The Board renominates the Rev. Berlyn V. Farris as Conference Missionary Secretary.

Since the spiritual life, liberality and efficient activity of our churches depend in no small degree upon the missionary spirit and world vision among the people, it is imperative that missionary information be widely disseminated through our congregations. This can best be accomplished by placing the official general missionary organ of Methodism, *WORLD OUTLOOK*, in the homes of all our people. The District Missionary Secretaries will assume the responsibility of World Outlook promotion under the chairmanship of the Forest Grove district missionary secretary, the Rev. Gustav A. Storaker. The suggestion comes from the general church, that insofar as possible, the first Sunday in November be observed in the churches of the conference as World Outlook subscription Sunday.

9. BOARD OF TEMPERANCE

Your Board of Temperance and Public Morals urges your support in the following fields of endeavor:

1. We urge that Temperance Education be included in every church school and that the Summer camps' program planning committee include courses on Temperance in the curricula.
2. The Conference Board of Temperance will supply an approved list of speakers for special temperance education or public meetings.
3. The Conference Board of Temperance urges your church to commend officers and states attorneys by letter or personal contact when they enforce gambling or liquor legislation.
4. The Conference Board of Temperance urges each church to make use of Temperance films and approved Temperance speakers both in the local church and wherever possible in the public schools. Films may be secured through the Women's Christian Temperance Union or through Better Films, 534 S. W. Third Avenue, Panama Building, Portland 4, Oregon.
5. The Conference Board of Temperance urges each District to elect a District Chairman to organize a District Board of Temperance.
6. The Conference Board of Temperance urges each District to plan a Temperance Rally during the coming year.
7. The Conference Board of Temperance urges churches interested in the Temperance cause to make their contributions direct to the Conference Board of Temperance rather than through other Temperance organizations, that monies so collected may not be dissipated in controversial conflicting organizations and may thus be used directly to further the temperance cause in the state.
8. The Conference Board of Temperance urges every church to cooperate with the General Board of Temperance and hold an annual Temperance Sunday preferably on Commitment Sunday either at the regular Sunday morning service or a special evening service.
9. The Conference Board of Temperance urges each church through its pastor and nomination committee to set up a strong local Board of Temperance.

Respectfully submitted,

Oregon Conference Board of Temperance

12. OREGON COUNCIL OF CHURCHES

The Oregon Council of Churches is the agency through which a united Protestantism finds expression. The Oregon Conference supports the Council through a World Service gift of \$1200 a year. Also many individuals and churches give generously of time and money to the cooperative Christian work.

1. We recommend that every local church familiarize itself with the extensive work of the Council.
2. That our congregations be urged to participate fully in local Councils of Churches wherever they exist, and promote cooperative Christian action in their own communities.

Dean C. Poindexter, Conf. Chairman

13. WOMAN'S SOCIETY OF CHRISTIAN SERVICE

1950-51 Theme: "Thy Saving Health Among All Nations"

June 1949-Members	9,552	Conference recpts.	\$42,513	Local work	\$91,655

The purposes of the Women's Society of Christian Service and activities toward achieving these purposes are as follows:

1. *to unite the women of the church in Christian living and service*

We have sought to enlist the women of the local churches in some line of work of particular interest to each—program or study book presentation, dinners, calling, cleaning, children's or youth work, legislation, church committees etc.

The Division plan of each Society visiting one other Society was carried out almost 100 per cent with the good feeling resulting of "Let's do it again."

2. *to help develop and support Christian work among women and children around the world.*

\$35,677 paid on pledge to Division—an increase of \$5,040 over last year.

\$3,226.47—For Home and Foreign supplies.

\$1,115—For support of Miss Miriam Brattain, missionary in Japan

\$1,000—Plus supplies and gifts to the Old Peoples' Home in Salem.

\$700—For scholarship of Marilyn Whaley, Portland girl at Bennett College.

\$350—Migrant work through the Council of Churches.

3. *to develop the spiritual life*

New prayer groups formed.

Many lives enriched by the study of "We Seek Him Together" Maude White Hardie.

The Week of Prayer and Self-denial observed with an offering of \$1727.21.

Lenten "day apart" services encouraged.

11. INTERBOARD COUNCIL

C. REPORTS OF COMMISSIONS AND COMMITTEES

1. COMMISSION ON TOWN AND COUNTRY WORK

Activities during the year have included:

1. Scholarships for the non-departmentalized section of the Laboratory School.
2. Superintendents Gill and Smith attended the Town Church Conference at Baker University.
3. Thirteen Methodist Churches attended the Fourth Annual Leadership Institute for Town and Country Churches at Oregon State College. (This was seven short of our quota).
4. Dr. Roy A Sturm, director of research and surveys of general town and country department, spent a day in Oregon preparing for an intensive survey in October 1951.
5. The Displaced Persons' Committee under the able leadership of Rev. Alfred Mosper has assisted in locating forty-five D.P.'s.
6. Dr. Correll M. Julian, a representative of the general town and country department, presented the rural work at the Vocational Conference held on the Willamette University Campus under the sponsorship of the conference commission on Christian Vocations.
7. The secretary of town and country work, Rev. Howard Graybeal has effectively promoted the Oregon Council of Churches Improvement Program and the observance of Rural Life Sunday throughout the conference.

Future plans include:

1. Continued effort to provide homes for Displaced Persons.
2. Surveys in preparation for "pilot charges" and "improved sub-districts." These will be directed next October by Dr. Sturm under the supervision of the cabinet and the commission.
3. Promotion of the 1951 Leadership Institute for Town and Country Churches at Oregon State College—July 10-13. We are especially concerned that our quota of twenty Methodist Churches be filled.
4. Cooperation with other denominations of the Northwest as we entertain the Inter-denominational Town and Country Convocation in Portland—October 30, 31, and November 1, 1951.
5. We propose to publish a quarterly town and country news sheet or preferably cooperate on an Interboard publication.
6. We urge that each church observe Rural Life Sunday with appropriate worship services and recognition to those who feed the world. We recommend that city and town and town and country pastors exchange pulpits on this Sunday.
7. We note that an increasing number of our Methodist colleges are establishing rural church professionships in cooperation with the annual conference and the general town and country department. This plan is being studied by Dr. G. Herbert Smith of Willamette University and the cabinet.

We commend the General Conference of 1944 and '48 for their emphasis upon town and country work which has been effectively dramatized in the Lincoln conference, the two regional town church conferences and will be in the Sioux City conference. We also, commend the Council of Bishops and the Board of Missions for their leadership in this field. In particular, we commend our own Bishop Kennedy for his interest and leadership. We note that he is as willing to accept an invitation to preach in the open country churches as in great city cathedrals.

Clark S. Enz, Chairman

The World Day of Prayer promoted by United Church Women, was a high light of interdenominational cooperation for many Societies.

4. *to study the needs of the world*

A most successful Summer School of Missions was attended by 123 women for the full week and 65 part time.

Educational seminars were held in every District last fall to train women in presenting the study books.

"Near East Panorama" Wysner and "Rural Prospects" Rich, were widely used as studies. Missionaries speaking throughout the Conference were Miss Evelyn de Vries, Africa; Miss May Bel Thompson, China; Miss Mabel Nowlin, China (Wesleyan Service Guild missionary); Miss Edna Holder, India.

Division field worker speaking at District meetings—Mrs. W. B. Landrum.

The Western Jurisdiction Woman's Society was entertained by the Oregon Conference and presented an exceptional program of information.

The Conference Societies paid the expenses of the Conference president who was a delegate to the Biennial Assembly of the United Council of Church Women and to the Constituting Convention of the National Council of Churches of Christ.

5. *to take part in such service activities as will strengthen the local church, improve civic, community and world conditions.*

Societies cooperated in calling, family dinners, building funds, every-member canvasses, remodeling projects, helping to establish Displaced Persons, etc.

Participated in community programs, such as Red Cross, Defense, Council of Church Women.

Legislation was aggressively promoted in such instances as wheat for India, and opposition to Universal Military Training.

United Nations study was encouraged.

1951-52 PLANS

1. Continuation of quadrennial Advance goals

I—*Every woman member of the church a member of the Woman's Society*

The new Division plan of visitation among local church women will be carried out so that *every* woman is contacted.

II—*Study*

The 7th Summer School of Missions will be held at Camp Magruder July 29-Aug. 3. Educational seminars will again be held on each District. Delegates will attend:

The Town and Country Conference in Sioux City-July 21-24.

Interdenominational Institute on Racial and Cultural Relations Aug. 20-24

Institute on Alcohol Education at Denver Sept. 3-7

Jurisdiction Summer School (6 delegates) June 26-July 2

Miss Elizabeth Lee will itinerate in March.

III—*Giving*

An increase of 15 per cent over last year's pledge making a pledge of \$46,287.50. This will support the entire work of the Woman's Division for 2 days, 3 hours and 15 minutes according to our Atlas Plan.

IV—*Recruiting youth for church vocations.*

Twelve girls will attend the Summer School of Missions on scholarships, with a partial program of their own to become acquainted with missionaries, Division, Jurisdiction, and Conference personnel who are present. These girls will be high school seniors or college age.

Mrs. Ellsworth M. Tilton,
Conf. President

Many suggestions have come to the committee during the year. Most of the objections to the report have been based upon the proposition that the formula is too complicated to figure.

In order to simplify the situation, the committee proposes to do the figuring for all the charges. Others have suggested that we further delay the effective date of this arrangement. We recommend against this and believe that the best way to find out whether or not the plan is practical and workable is to put it into effect this year as provided by the report; that is, one-fifth will become effective this year.

In order to expedite the calculations involved, the following suggestions are made:

- (a) That the current year be dropped and the calculations based upon the the second, third and fourth preceding years.
- (b) That the World Service and Finance Commission set the amount of superintendents and conference claimants' funds a year in advance.
- (c) That fractions of thousands of conference averages be dropped in making the computations; that is, membership, salary, other expenses, etc.
- (d) That fractions in the average for charges be counted as one.
- (e) That the item in statistician's report designated "at large" be excluded.
- (f) That uniformity of items to be included as salary and other expenses be established and decided by the World Service and Finance Commission.

We recommend that, in order to insure the stability of our World Service funds, the charges be requested to hold the line of world service giving, even if this formula would reduce the same; at least until this formula has been put in full operation.

We further recommend that, if the charge under this formula receives an overall decrease in giving, if possible that charge add the same to its world service giving.

W. C. Winslow, Chairman
Ross Chapin, Secretary

3. FRATERNAL EMERGENCY COMMITTEE

Another year has passed without a call upon the Fraternal Emergency Fund, for which we are profoundly grateful. This is our report—.

June 14, 1950—Balance on Hand	\$108.00
Receipts	2.00
Disbursements	None
June 12, 1951—Balance on Hand	\$110.00

The Fraternal Emergency is Christian Brotherhood in action. An investment of \$2.00 makes any one a Good Samaritan and provides a check for \$100.00, for the family of any participating active minister: if he should be transferred to a Heavenly Conference.

From a selfish view, it offers a good investment—a possible \$100.00 in return for \$2.00; but there is a catch in it. The minister could not collect, his widow could, and would.

If you are not a member of this program, will you enroll now, either as a Good Samaritan or as hard headed business man;—but be sure and give your \$2.00 to Sherman Burgoyne, Harvey DeVries or myself.

The Fraternal Emergency Committee,
by Earl B. Horsell

4. INSTITUTE SITES COMMISSION

There has been expended to date over Two Hundred Twenty Thousand Dollars in the purchase of real and personal property and equipment and there is no indebtedness.

2. COMMITTEE ON 1952-1956 ADVANCE

On April 11, 1951, Bishop Gerald Kennedy raised this committee to make a study of some major needs within the Oregon Conference and bring recommendations before this session looking toward The Advance for the next quadrennium.

It becomes apparent that the proposals here made are in line with the thought of the general church and the contemplated projection of The Advance beyond this quadrennium. Both the General Secretary of the Board of Missions and Church Extension and the Secretary of the Section of Church Extension have given their personal approval to the proposals we make and have promised to give time to promoting the same provided each of the conferences within the Portland Area sponsor a similar Advance.

After evaluating the needs in Oregon four areas stand out. We recommend them without any attempt to break them down into lesser units.

I. CAMP SITES

Certain improvements are necessary in order to conserve our investments in behalf of youth and to make possible an even larger use of the facilities on our Camp Sites. The Camp Sites Committee has outlined in the main a program which would require some \$50,000 or \$12,500 per annum.

II. WILLAMETTE UNIVERSITY

In the social excitement of the day Willamette University is caught between rising costs of operation and decreasing income from student enrollment. To undergird its program for our day is to preserve its ministry for tomorrow. We recommend that as a Conference we measure up to the national standard of support for our school by raising 50c per active member. This would net between \$15,000 and \$20,000 per annum.

III. INCREASED FACILITIES FOR CHILDREN AND AGED

With interest this committee listened to the concern for the aged as expressed by members of the Woman's Society of Christian Service. We recommend that serious study and consideration be given with a view to increasing the facilities for the care of the aged; further, that some phase of the work formerly carried by The Manley Center be reactivated within the Portland vicinity. We suggest that projects selected by the Woman's Society of Christian Service of the Conference be written into The Advance Program. An annual outlay of \$12,500 would seem reasonable.

IV. BOARD OF MISSION AND CHURCH EXTENSION

Due to recent population increases there is urgent need for a quickening program of Church Extension in Oregon. Both new churches should be founded and formerly established churches, now taxed to capacity in certain growing areas, should be assisted in expansion of facilities to cope with the new developments. Not less than \$50,000 should be sought annually for this extension.

Further, we recommend that this program be given detailed study by a continuing committee to be known at "The 1952-56 Advance Committee."

Signed: Joseph M. Adams, Chairman
Mrs. Jessie W. Bunch, Sec.
Ralph Kleen
Mrs. Ellsworth Tilton

SPECIAL COMMITTEE ON ASSESSMENT TO THE CHARGES

5. COMMISSION ON CHRISTIAN VOCATIONS

Our purpose is to lead youth to a sense of *Christian vocation*—to a Christian unity in the job they do, the occupation they follow, the work they take up—their “calling”.

One of the most valuable opportunities of this Commission is the Conference on Church Vocations. It is a small working conference, giving youth counsel and guidance on church vocational opportunities and requirements. It was held on the Willamette Campus March 30-31. There were 52 young people present—26 High

There has been a steady growth of interest and attendance. In the year 1942 there was a total attendance in our camps of 586; in 1944-828; in 1946-1235; in 1949-3729; and in 1950-4718.

In the Capital account at Suttle Lake there is a balance on hand of \$1821.96; at Camp Magruder, \$1632.60; and at Myrtlewood \$7,902.87

Last year by action of this conference, a day was set aside to be known as Camp Sites Day when publicity would be given in all of our churches to the camp sites and the work being done there and an offering taken. Your Commission was also authorized to go on a quiet hunt for funds. We are again requesting that a day be set aside, namely, Sunday, the 27th day of January, 1952 and designated as Camp Site Day, and that all Methodist Churches be requested to take an offering for the Capital fund on that day.

In compliance with Sec. 2, Par XXVII Conference Rules:

We recommend that the minimum salary of the conference for the year 1951-52 shall be—single pastors \$1800, married pastors \$2200, plus \$150 for each child while still in school, plus \$100 for each church served over one.

In order to bring our procedure into harmony with Rule XXVII we recommend in accord with Sec. 3b that the rate for the ministerial contribution be 1% for ministers receiving above the minimum and $\frac{1}{2}\%$ for ministers receiving minimum or below.

We recommend that Sec. 3a become operative with the 1952-1953 conference year.

We recommend that for this year only an item of \$3500 from conference benevolence budget be allocated to the minimum support fund.

7. MINISTERS' RESERVE PENSION FUND

At the end of five years of effort we regretfully report that our goal of \$217,760 has not been reached. We rejoice, however, that we can report collections of \$16,676 the past year, and a total of \$202,985 paid up to May 31, 1951. More than \$300 has been collected since the close of the fiscal year, bringing us above the \$203,000 mark today.

Best of all we have commitments from the churches that are delinquent to assure us of ultimate victory.

Now I wish to present some facts and recommendations concerning the long time problems facing the Reserve Pension Plan.

I. In 1946 when the Oregon Annual Conference voted to raise the funds necessary to put the ministers into a reserve pension plan these assumptions were made by the Board of Pensions of The Methodist Church.

1. That it would require 36 years for the then youngest member of the Annual Conference to attain retirement age or die.
2. That \$217,760 would be raised by 1948, and that this amount would fund the reserve pensions for 20 years.
3. That approximately \$200,000 would need to be raised about 1966.
4. That ministers' salaries would remain relatively stationery at the 1946 level. (Average salary for minister covered was then \$2070 for the Conference).
5. That the ministerial membership of the Oregon Conference would increase at the normal rate of three per annum.

II. These assumptions have not proven to be valid, which has had a serious effect on the original financial aspects of the Oregon Conference Ministers' Reserve Pension Plan. Note the following facts:

School and 24 College Youth. Dr. H. Stanley Martin, Department of Personnel Division of Educational Institutions, Nashville, was the inspirational speaker. Check list sent out over the Conference had given young people opportunity to check the Fields of Service in which they were interested. Seminars in ten areas and their related vocations were conducted by Correll Julian, San Francisco, Stanley Martin, Nashville, J. E. Bain, Olivia Olson, Dr. and Mrs. F. Keith Markee, Jennie Smith, Dorothy Harding, Ralph Kleen, Marion Smith and Pearl Sherlock. Dr. George Martin gave the kuder tests early in the Conference. A fine exhibit of books and material was prepared by Mrs. Oscar Chappell. Missionary Personnel Secretary of the Conference Woman's Society of Christian Service.

A second valuable service has been the vocational fellowship. Brooks Moore, Chuck Harris and Dean Poindexter are the working committee in this behalf.

The third activity has been provision of material to each minister for "Career Days" or "Vocational Guidance Conferences" in high schools.

Respectfully submitted

Pearl E. Sherlock

6. MINIMUM MINISTERIAL SUPPORT FUND

After thorough study of the Minimum Ministerial Support Plans of the Pacific Northwest Conference with information which they had secured from some 35 other conferences your Committee on Minimum Ministerial Support submits the following recommended plan for the Oregon Conference, which will be integrated into the plan now in effect.

We recommend that Conference Rule XXVII be revised to read as follows:

Your committee has sent out over 200 letters, 6 telegrams, 15 long distance calls plus numerous local calls in Portland, and distributed 500 pieces of literature. The result of our efforts has been 27 groups or churches acting as sponsors for 45 persons with 7 requests yet to be filled.

10. RESOLUTIONS

I. We, the members of the 99th session of the Oregon Annual Conference, wish to express our appreciation to those who have made our coming together a pleasant and profitable experience.

We thank Willamette University and the First Methodist Church of Salem for their gracious hospitality. We have enjoyed having the Conference on the campus of our own university, and at historic First Church.

We thank President G. Herbert Smith, Dr. Brooks Moore, Dr. Arthur H. Maynard, his student assistants, the kitchen and dining room staffs, and all who have labored to make us comfortable.

We are indebted to Bishop Kennedy and to Dr. J. Richard Snead for their inspiration. Bishop Kennedy has fulfilled the ministry of preaching by making alive for us the Word of the Preacher of the Mount. Through the addresses of Dr. Snead, we have heard the very voice of God speak to us of His Majesty, have seen the vision of our fairest Lord Jesus, and have felt a true stirring and warming of our hearts.

We appreciate our District Superintendents, and pray for their health and strength. Their stupendous labors make more effective our efforts and perfect the teamwork which is our Methodist Church at its best.

We thank the Treasurer, the Statistician, and all the Boards and Committees, Chairmen and Members who have labored to dispatch the business of the Conference.

We give special commendation to the Secretary, and his staff who labored such long hours, and did such an excellent service for us mimeographing and preparing the reports and minutes.

We are thankful to the Choirs, their Directors and Organists, of First Church Salem, West Salem, Leslie, and Jason Lee, for their sacred music each evening.

We go back to our labors grateful to Almighty God for our ministry, for our fellowship in His Church, and for the Challenge this Conference has laid upon us better to fulfill our task as Evangelists this year.

II.

We are glad for the leadership of Bishop Kennedy. His preaching, his writings, his administration of the Conference, and his personal interest in each church, each layman and minister, continually command our respect and loyalty.

Mrs. Kennedy has a radiance and friendliness that wins our affection.

We feel their help and the fellowship of one another in our daily labors at our home churches.

Walter Warner, Chairman

1. The increase in the membership of the Oregon Conference has been about twice the previous average.
2. The fund was not raised in full by 1948; in fact, only \$115,000, slightly more than half, had been paid at that time. This represents a loss in interest earnings on the fund as originally estimated.
3. Salaries have risen from the original average of \$2070 to a present average of \$3090.
4. According to the actuary in the Board of Pensions these factors (11-1, 2, and 3) will increase the funding costs by nearly 50 per cent. Therefore, the total funding program as projected in 1946 is inadequate. The Board of Pensions now estimates that to completely fund the Reserve Pension plan will require raising an amount equal to 4.5% of the ministers' cash salary for the next 31 years. This would mean approximately \$14,000 per year on present salaries. As salaries rise the total will increase.

III. *Our Recommendations*

1. That the churches which have not completed their quotas be requested and urged to complete their payments by the time of the next Annual Conference in 1952.
2. That to offset the loss of interest in these funds that churches which had not met their quotas by January 1, 1951, be requested to assume an obligation for interest at the rate of 3% on their unpaid balances since January 1, 1951.
3. That the district superintendents at the First Quarterly Conference explain the pension situation to their respective churches and ask them to choose between these two alternatives:
 - (a) For the Conference to raise \$500,000 more or less in 1959-60, to complete the funding of the Ministers' Reserve Pension Plan, or
 - (b) For the Conference to raise an amount each year equal to 4.5% of the pastors' salaries for 30 years beginning in 1952-53.
4. That a decision on the future financing of the Ministers' Reserve Pension Fund be decided at the 1952 Annual Conference.
5. That the Board of Trustees of the Conference Claimants' Permanent Fund continue to solicit bequests, memorial gifts, annuities, real estate and investment securities for the benefit of the retired ministers of our Conference.

Edward L. Clark, Chairman

8. COMMITTEE ON PERIODICALS, PUBLICATIONS AND COLLECTIONS

We note with pride the fine selection of new books being published by our Publishing House and urge our people to read more of them.

We think our church has the best Church School literature published and urge all of our churches to use our literature. The comparatively new Christian Home Magazine is superb and should be in every Christian Home. Our Adult Lesson Quarterlies could be improved so that numbers of our churches would not want to use other literature.

Our Christian Advocate is a magazine that the church could not do without. It has been splendid this year, and the special section in it devoted especially to the Pacific Northwest is just what we need. Pastors are urged to supply the news items to your district Superintendent which is used to make up this section. We urge also a renewed effort which will get subscriptions enough to insure the continuance of these pages.

The Upper Room, devotional magazine, covers the world with its circulation. It is used by all churches and has made a permanent place for itself in the Armed Services of our country. We urge its use in every Methodist home.

to see, when they are to meet with them, and what they are to do prior to meeting with them, we recommend that each year the bishop appoint a personnel-committees' co-ordinator, whose responsibility it would be:

- (1) To work with the various personnel committees and the district superintendents to see that there has been a complete clearance as to procedure.
- (2) To contact during the year the men who are to appear before the personnel committees to make sure they understand what they are to do.
- (3) To be on hand as a kind of floor-manager at Conference to give counsel and direction to people who are to appear before the various committees.

In view of the fact that the Annual Conference membership is made up of ministers and laymen, and in view of the fact that laymen find it difficult to take all or nearly all of a week to be on hand at Conference, we recommend that the bishop appoint a committee to meet jointly with the Conference Program Committee and the Committee on Daily Procedure and Floor Courtesy to work out ways by which the Annual Conference session may be shortened.

THE LAYITY: We are happy to see the growing tendency in the Methodist Church to forget the distinction between ministers and laymen and to treat all churchmen alike. We are encouraged at seeing the tendencies to abolish executive sessions of ministers and special sessions of laymen alone, and encourage the members of the Oregon Annual Conference to think of themselves as one body rather than as two. Since the ministers naturally hold the key position, we encourage them to make every effort to give increased responsibility to laymen in the local church, sub-district, and the Annual Conference.

GENERAL MATTERS:

(1) We encourage pastors and laymen to work together for a better informed church membership. This would involve more effective membership classes and more effective work in classes of people who are already members.

(2) To meet a definite need within our Conference, we recommend that the Board of Evangelism publish the names of men who are available to go on preaching missions to do an evangelistical job in local churches; also, that they publish the names of people who are available to assist in a program of visitation-evangelism.

(3) We recommend that the Annual Conference set up a committee to study the matter of special offerings from the standpoint of the local church and to report to this body at its next meeting with a specific recommendation as to how the matter of many special offerings should be handled in the local churches.

COMMITTEE ON THE STATE OF THE CHURCH

Dan Walker (Chairman)

12. COMMITTEE ON WORLD PEACE

There is no panacea for war, no simple remedy. If Oregon Methodists are to work wisely for peace they must understand the complex causes which include economic, political, national, educational, even religious and cultural causes. We therefore urge that within every local church there be special study on the causes and cure for war, the U. N. and the work of its agencies.

Without endorsing them specifically, we recommend prayerful study and action on such plans as are aimed at removing some of the causes of tension. Among such plans are those proposed by Dr. Frank Lauback, Senator McMahon,

11. COMMITTEE ON THE STATE OF THE CHURCH

THE MINISTRY: While on the whole we are proud of the persons who represent the ministry of the Methodist Church in the Oregon Conference, and while we commend the personnel committees of the Conference for the sincere work they have done in interviewing and guiding ministerial candidates, we feel that there has been a tendency to be too lax. Recognizing that we can have constructive growth not in accordance with the *number* of ministers we have placed in churches but in accordance with the *quality* of the work they do, we call upon the members of the personnel committees and the district superintendents to exercise the greatest care in selecting and placing ministers in the Methodist churches of the Oregon Conference.

Believing that in recent years there has been a growing tendency for the ministry to spread itself too thin, we highly commend the more recent tendency to discover ways of going deeper in search of spiritual resources and theological background. We rejoice in the appearance in our area of such programs as the Bishop's Retreat, the School of the Prophets, and theological discussion groups as they grow up spontaneously in various places within the Conference.

Believing as we do that the essential function of the ministry is not to coddle the members of the church but to lead them in serving and transforming the world beyond the church, we urge our ministers to put renewed emphasis on the World Service program of the Methodist Church and to exercise continuous effort in winning the unchurched in their own communities.

We urge all members of our Conference to seek to know and to befriend new men who come to serve among us. Also, we recommend that the Committee on Conference Relations be asked to keep in close touch with all men in special appointments so that we may retain the sense of fellowship with them.

THE DISTRICT SUPERINTENDENCY: The district superintendents of the Oregon Conference are called upon to work under unnecessary handicaps. Obviously we cannot completely adjust the situation in one year or even two; nevertheless, we should recognize our problem, set our ultimate goals, and start working toward them. We recommend:

- (1) The purchasing of parsonages for the district superintendents.
- (2) The establishing of a district office (perhaps in a key-church) in each district.
- (3) The hiring of a full-time secretary for each district superintendent.
- (4) The establishment of a salary and expense account high enough to encourage our best men to accept the superintendency.

We recommend that this Conference session set up a committee to study the work, the problems and the needs of the district superintendents; that such a committee include some laymen who know the best business procedures and practices, and that the committee report back at the next session of the Annual Conference.

THE EPISCOPACY: As Methodist ministers and laymen we are proud of the quality of men who are now serving as our bishops. Especially are we proud of Gerald Kennedy. We are thrilled that our bishop has already become one of the significant voices of Methodism, and we express our appreciation to him that through his leadership the Portland Area is taking long strides forward.

THE ANNUAL CONFERENCE: Recognizing that candidates for ministerial orders, accepted supplies, and others appearing before personnel committees, (Conference Relations Committee, Committee on Accepted Supplies and Board of Ministerial Training), face serious problems in knowing what committee they are

\$2400; Travel, 3 workers \$1500; Wesley Foundation Director, Eugene, salary \$4200, travel, \$500; Director Wesley Foundation OSC, salary \$3600, house \$600, travel \$500.

5. The fiscal period for the Conference and all its boards and agencies included in this report is from June 1, 1951 to May 31, 1952.

B. Benevolence Items

1. The total amount for both Conference Benevolences and the World Service shall be allocated to the four districts on the ratio of 35% to the Portland District, 18% to the Forest Grove District, 25% to the Salem District and 22% to the Southern District.
2. All money raised for World Service and for Annual Conference Benevolences shall be shared pro-rata between the Conference Benevolences and the World Service on the following ratios: 45% to the Annual Conference Benevolences; 55% to the World Service except as shown in No. 3 following:
3. The item under Section 2A, Fixed Payments, is a preferential charge on all Annual Conference receipts. The remainder of the Conference Benevolence Budget shall be distributed on a pro-rata basis. All participants shall share and share proportionately until they have received the amounts appropriated. When the Annual Conference Benevolences have been paid in full, any overages shall be paid to World Service until that apportionment is paid in full; and further overage shall be divided equally between World Service and the Oregon Annual Conference Benevolences.
4. The Interboard Council is directed to set aside \$100 of its appropriation for postage and mailing for the use of board and commissions not now included in the annual conference benevolences.
5. The new items in the Conference Benevolence budget this year are as follows: World Council of Churches as requested by the Council of Bishops, \$184; Quadrennial Advance \$300.
6. The total benevolence as recommended by the Commission is as follows: For World Service \$63,028; for Conference Benevolences \$46,907; Total \$109,935. (See Schedule A.) The budget presented in 1950 totaled \$106,583, on which total collections amounted to \$100,118.
7. Special campaigns: We recommend that—
 - a. Willamette University Sunday be observed on November 11; when the cause of the University may be presented and a special offering taken for it.
 - b. The Pension fund which was begun in 1946 shall be carried until the \$217,760 goal is realized, on the quotas adopted by the 1947 Annual Conference, and that Conference Veteran's Day be observed December 2 in all the churches, and that a free will offering for the Ministers' Reserve Pension Fund be received.
 - c. The Institute Sites Commission be authorized to continue a quiet campaign for capital funds without quotas or assessments, and that each church be requested to take an offering for camp sites on January 27.
 - d. Wesley Foundation of the University of Oregon be granted permission to raise the balance of \$50,000 for a new building during the conference year by means of a solicitation of each church.
8. We commend the work of the Conference Board of Missions and the Interboard Council in their effort to stimulate increased missionary and benevolent giving in the local churches. The commission foresees that next year our benevolence budget will require an increase of at least 10% to meet the anticipated minimum needs.

Walter Reuther and President Truman's suggestion implementing of Point 4.

We urge that our churches continue to reaffirm the right of individuals to be conscientious objectors to war and that such right be maintained in national legislation.

We again reaffirm the traditional Methodist position in opposition to U.M.T. and recommend that we continue to keep our legislators informed of such stand.

Having in the past recommended a Department of Peace in our national government we favor the passage of H. R. 3575 (Mr. Staggers, Apr. 6, 1951-Expenditures in Executive Departments) which creates a department of Peace, headed by a secretary of peace, to formulate and publicize educational programs, encourage interchange of ideas, etc., relating to international cooperation and the problems of peace.

Your committee recognizes that strong and sincere opinions exist for and against the coming of an air ROTC to the Willamette campus. Even those who favor it recognize certain inherent dangers to personal and academic freedom, and urge the University to do all within its power to maintain free speech and democratic processes.

We recognize that many forces against which the Church must struggle are moral and spiritual and cannot be defeated by material force but by the power which lifts and transforms through the sacrificial love of Jesus, the Redeemer. We challenge Oregon Methodism to experiment with the power of prayer and the deepening of personal life, to sacrificial giving to missions and overseas relief, and continued encouragement of all such movements as the exchange of students and faculties.

C. Other Items

1. The percentage approved by the General Conference for the Episcopal Fund as an apportionment to each charge is 1¼% of the pastor's current salary.
2. To raise money for the Bishop's residence, an assessment of ¼ of 1% of the pastor's cash salary is continued in accordance with the action taken at the 1949 Annual Conference.
3. The General Administration Fund apportionment to this Conference for the year 1951-52 is \$3329 plus any unpaid balance for the years 1948-51. This fund shall be apportioned to the charges on the basis of the pastor's cash salary as published in the 1948 Journal.
4. The Jurisdictional Conference expense fund for the year 1951-52 is ¼ of 1% of the pastor's cash salary as published in the 1948 Journal plus any unpaid balance for the years 1948-51.
5. To pay the Conference Claimants annuity rate of \$27.00 requires approximately \$78,226. The present plan of apportionment will produce approximately \$74,540 which, together with the receipts from the Methodist Publishing House, the Board of Pensions and the Chartered Fund, and the accrued interest on Conference funds, will provide income sufficient to meet this annuity rate.
6. The total necessary to maintain the schedule of minimum support is provided by an amount of \$3500 in the Minimum Support fund as shown in the budget, and an additional amount obtained by an assessment of ½ of 1% of the cash salary of certain ministers (see Conference Rule 27). The Conference Committee on Minimum Support will administer the minimum salary plan and will be responsible for collecting and distributing the fund.
7. For the support and expense of the District Superintendents, we recommend the continuing apportionment to each charge equal to 9.5% of the pastor's cash salary, which will produce approximately \$33,250. This money shall be received and banked by the Annual Conference Treasurer and distributed by him as follows:
 - A. Each District Superintendent shall be paid an annual salary of \$4800.
 - B. Each District Superintendent shall be paid an allowance of \$900 per year in lieu of house rent.
 - C. The District Superintendents shall be allocated annual expense accounts not in excess of the following amounts: Forest Grove District \$1500; Portland District \$1500; Salem District \$1650; Southern District \$1800. This shall cover all expenses in connection with his duties as District Superintendent. Each District Superintendent shall file a monthly expense account with the Treasurer of the Conference on forms provided by the Conference Treasurer to become a part of the records of the Commission on World Service and Finance.
 - D. A maximum of \$275 is allowed for the moving expenses of a District Superintendent.
8. Annual Conference Administration funds shall be apportioned to the charges by District Superintendents. They are:

	Proposed 1951-52
A. Travel Fund	\$1500
B. Statistician Staff expenses	5
C. Commission on World Service & Fin.	150
D. Auditing Conference records	5
E. Conference Treasurer (Sal. \$2200, Exp. \$400)	2600

PROCEDURE IN BECOMING A METHODIST MINISTER

This is information based on Par. 150, 301-341, and 670-675, as the Oregon Conference Board of Ministerial Training and Qualifications understands these provisions.

QUALIFICATIONS (Par. 301). Persons professing to be called to preach must show evidence for the following qualifying marks:

1. A practical knowledge of God in experience.
2. Gifts, such as sound understanding, judgment, and a clear conception of salvation, and of the Kingdom of God.
3. Fruits, or evidence that a candidate is able to assist his fellows in a knowledge of God, and in serving the Kingdom.

LOCAL PREACHER'S LICENSE

1. (Par. 675) Appear before the District Committee on Qualifications of Local Preachers.
2. (Par. 303) Complete the Work prescribed for candidates for license to Preach. (See conference minutes. The *Student Handbook* will show assignments and required work in each course). This work must be done through the Conference Board of Ministerial Training.
3. (Par. 303) Must pass a satisfactory written examination in the discipline, and agree to abstain wholly from the use of tobacco.
4. (Par. 150 & 330) Upon recommendation of the District Committee the license shall be issued by the Quarterly Conference after written secret ballot. This license must be renewed annually, unless or until the candidate is admitted on trial into an annual conference, or has become an accepted supply.
5. (Par. 304) In case a local preacher is a candidate for the travelling ministry, and is pursuing regular courses of study in one of our theological seminaries or in a university or college approved by the authorized standardizing agency, he may be excused from examinations, but he must still secure a license before he can preach.

ACCEPTED SUPPLY

1. Local Preachers seeking to become accepted supplies shall appear before the Conference Committee on Accepted Supply Pastors and ask for its recommendation to the Annual Conference for such status.
2. (Par. 320) Accepted Supply pastors who are giving their full time to pastoral work under a district superintendent are required to take the conference course of study, including the course for admission on trial. We strongly urge that this work (Course II) be done by correspondence with one of the correspondence schools listed in the Oregon Conference Minutes.
3. (Par. 320) Except in a few unusual circumstances, named in the Discipline, any accepted supply pastor who fails to complete two years of the course of study within four years, or who shall fail to complete the entire course of study within eight years, may not be employed by a District Superintendent.
